

# Have You Ever Needed Identity Protection?

If you answer **YES** to one or more of these questions below, you may benefit from an IDShield identity theft protection plan.

- Lost your wallet?
- Entered personal information online?
- Feared the security of your medical information?
- Shared your or your child's location on social media?
- Been mistakenly pursued by a collection agency?
- Realized your child could become a victim of identity theft?
- Worried about becoming a victim of identity theft?
- Used public Wi-Fi?

## IDShield provides more than monitoring.

In the event of identity theft, a dedicated licensed private investigator will **restore your identity** back to its pre-theft status — guaranteed.

IDShield is a great & timely service. I appreciated the prompt response to protect our accounts and my wife's identity, which was recently stolen. It would have taken me days to do all the things I needed to do by myself.
